

## 2020 STREET TRACK RENEWAL PROJECT

### 58<sup>th</sup> Street Between Chester Ave. & Woodland Ave.

#### SCHEDULE

- This project includes the excavation and renewal of the existing trolley tracks on 58<sup>th</sup> Street between Chester Avenue and Woodland Avenue. Construction will take place from September 8 – November 7, 2020.

#### DETOURS DURING CONSTRUCTION

- Route G will be detoured during the project. Check for posted signs. Visit [www.septa.org](http://www.septa.org) for travel information or call Customer Service at 215-580-7800.
- Vehicular traffic will be restricted in the work areas, except for Emergency vehicles & Trash pick-up.
- All side streets in the affected area will be closed to thru traffic. Local traffic is permitted up to the construction site.
- Posted traffic detours will be erected and maintained around the work area in progress.

#### GENERAL INFORMATION

- Normal construction hours are – Monday through Friday, 7:00am to 3:30pm. (Occasional weekend work may be needed.)
- Vehicular parking will not be permitted in the construction zone or adjacent to the tracks being reconstructed.
- Exceptions/Arrangements will be made as required for those with special needs.
- Emergency vehicles will have uninterrupted access. Trash collection and other city utilities will also have access. Delivery vehicles will have limited access; drivers may have to park and carry parcels in.
- Businesses are open to pedestrians.

#### TRACK FACTS

- The existing tracks were installed in the 1970s and are beyond their serviceable lifespan.
- Street structure supporting the tracks has deteriorated due to water leaks, traffic, and overall age of the existing street surface, which requires increased maintenance to operate safe and reliable service.

#### BENEFITS

- Reduced vibrations.
- Smoother ride – new & improved track components.
- New Street Surface – new concrete/asphalt paving.

**SEPTA greatly appreciates your patience and understanding while this important construction project is completed.**
