

Trolley Route 101 & 102
Improvement Project
Shuttle Bus Service
Replaces ALL Trolleys

Beginning Saturday
June 5 and Continuing
Through Sunday
August 29, 2021

SEPTA will continue a necessary improvement project that includes upgrades to several track switches, the installation of new track crossovers, the replacement of track ties at select locations, and the adjustment of the trolley overhead catenary wire

During construction, shuttle bus service will operate in place of all Route 101 and 102 Trolleys between 69th St. Transportation Center and the end of each trolley route

WHAT YOU NEED TO KNOW
ABOUT SERVICE DURING THE
IMPROVEMENT PROJECT

- Bus service will replace all Route 101/102 Trolleys between 69th St. Transportation Center and the end of each Trolley Route
- ALL Buses for Route 101/102 service will arrive/depart from the West Terminal
- Customers should plan for between 10 and 25 minutes of additional travel time
- Please refer to the Route 101 or Route 102 public timetable with the June 5, 2021 effective date for specific route and schedule details
